Welcome Back!

We would like to welcome all of our children back after the summer break and a special warm welcome to all of our new children in Reception. Everyone seems to have settled in well at the start of the new school year.

New Staff

We have been busy recruiting new staff members and are delighted to introduce you to the following staff at Aboyne Lodge:

Ickram, Emiliya and Helen.

Many of our new staff members have formal childcare qualifications and all offer a wealth of experience.

ABC Breakfast Club

Breakfast is served until 8.15am at Aboyne Lodge. Please ensure that if your child requires breakfast in the morning they are in before 8.15am to allow them enough time to eat it before heading off to class. Children need to sign in at Breakfast Club, or be handed directly to a member of ABC staff.

Please do not give your child snacks to eat at Breakfast. We have several children with a range of allergies and it is essential that no food, not provided by us, is brought into the setting.

XYZ After School Club

Most sessions at XYZ are now full and we may be unable to accommodate any ad hoc bookings this term.

The waiting list for places is now closed due to the number already registered. It will be reviewed in January 2018. If you have any siblings you are hoping to join in September 2018, please let us know now!

Autumn Term Preview

The children will be enjoying a range of themes this term, including 'Weird Science', 'Emergency Services', 'Autumn Animals', 'Halloween/Bonfire Night', 'International Food' and 'Christmas'. There will be lots of activities going on for the children as well as some visitors, who will be coming in to support the themes.

We are looking forward to visits from Mad Science, who will be supporting our Weird Science theme and our local PSCO, Adriano Russo, will be coming along to chat to the children about community policing and road safety.

The display boards are changed regularly and show work done by the children in relation to the various themes we have throughout the term. Please do take a few moments to have a look when you come in.

Have Your Say!

We are always keen to hear your feedback and will shortly be sending out an short online survey about our clubs. We would very much appreciate it if you would take a few minutes to complete the survey and let us know how you think we're doing.

Polite Reminders

Please can all parents contact us at their earliest opportunity if you know your child will not be coming to XYZ or if they are attending an extra curricular club. It is very important that we know where all children are as part of our duty of care.

Also, if you are going to be held up for pick up, please let us know on the Club phone. The club can be contacted directly between 3pm & 6pm on the numbers to the left.
