

# SPRINGERS NEWS

## Welcome Back!

**Welcome to all of our children back into the new term & a special warm welcome to all of our new children in Reception.**

Everyone seems to have settled in well at the start of the new school year. Yr R children have been allocated a key worker so please do not hesitate to speak to them, should you have any queries. As always, we welcome any feedback, comments or suggestions on how we can improve our service, so please contact us if you have any questions about ABC or XYZ

## New Staff

We have been busy recruiting new staff members over the summer and are delighted to introduce you to **Sue Solo, Sheena Singh & Yvette Lavender**, who will be working at Springers.

We are very sad to be saying farewell to Lian Cook who will be leaving us at the end of September. We wish her every happiness and success.

## ABC Breakfast Club

If your child requires breakfast in the morning, please ensure they arrive before 8.15am to allow them enough time to eat it before heading off to class.

Porridge will be back on the ABC menu this term as the mornings become chillier.

## Morning Run

We are delighted that one of our newest members of staff, Sue Solo, is a qualified children fitness coach. She has been leading the children on a morning run at Breakfast Club. The children are really enjoying it, and are keen and alert when it is time for school.

## Contact Details

General Enquiries: 07799 855850

Springers Club Phone : 07391 541496

Getting messy making playdough!!

## Autumn Term Preview

The children will be enjoying a range of themes this term, including 'Settling In', 'Superheroes', and 'Animals'. We are very excited to have **Ventura Animal Encounters** coming in to visit XYZ on FRIDAY 19th October to support the theme. The display boards are changed regularly - the latest is the beautiful "Friendship Tree" and show work done by the children in relation to the various themes we have throughout the term. Please do take a few moments to have a look when you come in.

## Polite Reminders

**It is of the utmost importance that all parents contact us at their earliest**

**opportunity if you know your child will not be coming to their XYZ session.** With so many extra curricular clubs provided by school this term, it is really important you let us know if your child will be attending any of these additional activities. Jade and her team manage the logistics of picking up and dropping off at all the different clubs brilliantly, but it is vital we know who is attending what, to be able to keep track of everyone! Please note we save snack for all those attending activities from 3.30pm to be served when they return to Springers.

**When to use the Club phone - 07391 541496**

- to report non attendance. A text message is great.
- to notify us if you are running late, or any changes to pick up arrangements
- if you urgently need to speak with your child. Please note NO children are allowed to use their personal mobile phones in the setting.
- speak directly to a member of staff at XYZ between 3pm and 6pm

**Moved house ?** Please ensure you have updated your contact details with us.,

## Allergens

Please do not give your child snacks to eat at Breakfast or After School Club. We have always been a **NUT free** environment and we have several children with a range of allergies and it is essential that no food, not provided by us, is brought into the setting. Thank you for your understanding.
